A Message from the Chapter President

Houston Chapter Family,

March is here, and with it comes a powerful reminder of who we are and what we're capable of when we move together. Our fundraiser is around the corner, and this is our moment to show up strong, organized, and united. Every hand, every voice, every effort matters right now. We've always represented the Houston Chapter with excellence, and this is no different. It's time to lean in and finish strong.

We're also just two months away from Reunion Weekend, one of the most meaningful times of the year for our alumni community. The countdown is officially on, and the work we put in today will shape the experience we create in May. Let's continue to build momentum, support one another, and prepare to greet our fellow Rams with the pride and hospitality our chapter is known for.

I'm calling on each of you not just as members, but as partners in this mission to stay engaged, stay committed, and stay connected. Together, we make the Houston Chapter shine. Together, we honor our legacy. Together, we get it done. Let's push through March with purpose and power. All hands on deck as we've always done.

In Union, Strength ~

Tracee M. Fletcher, Chapter President
HTIAA Houston Chapter
